DORMANT ACCOUNTS

Any account that **DOES NOT** show activity during any 12 month period will receive a \$3.00 per month dormant account fee.

To avoid this fee conduct a transaction, for any amount, for each account you have at least once every 12 months!

Members who are **under the age of 18** or **above the age of 65** are exempt from this fee.

2018 Interest Income Statements

Any account that DOES NOT earn at least \$10.00 in dividends (interest) WILL NOT be sent an interest income statement for tax purposes.

If unsure whether your account earned enough interest to receive an interest income statement just look on your December 2018 statement and at the bottom for each account it's listed as follows: 12/31 YTD-Dividend (\$ amount).
